SPECIFICATION

Brief Details of Kit

Nudura pre-cut ICF kit for 1 plots as modelled in the BuildEase Design Suite.

Accessories

Accessories such as VJC Clips, Fibre Tape, Protective Tape, Spray Foam, Form Lock, & T Junction Straps have all been allowed for within this quotation.

Delivery

In the absence of a build sequence at this stage, we have allowed for FB to be delivered first followed by L1 and then L2. Should you require these deliveries breaking into smaller loads, this can be discussed at order stage. Haulage costs will be confirmed based on the agreed build sequence for the full site.

BuildEase Pre-Cut Service

Our BuildEase Pre-Cut Service allows for the Design, co-ordination, installation drawings, pre-cutting & packaging of forms and access to our field services support team as required. Our team have made every effort to keep wastage to a minimum using our award-winning BuildEase Design Suite Software.

Lead Time

Our current lead time is 5-6 weeks from placement of order. Our lead time commences once our order form has been returned, construction architectural drawings are received, and structural engineering details are made available to us.

DELIVERY

In the event of delivery being deferred by the client from timescale agreed at order stage, Tremco CPG reserve the right to invoice for those components manufactured or held in store to meet initial delivery date.

Should delivery date be deferred due to delays out of Tremco CPG's control:

- Tremco CPG reserves the right to charge for storage of components. This will be charged at £200 / wagon load / week.
- Tremco CPG reserves the right to re-schedule the design & fabrication works to our next available slot.

GENERAL

It is the clients / architects' responsibility to approve BuildEase design drawings. Tremco CPG reserve the right to change delivery dates accordingly should we not meet our target design freeze date due to the late return of design approval.

It is the customer's responsibility to ensure that foundations are prepared in accordance with dimensioned plans provided and level to tolerances detailed in the installation drawings provided. Foundations to be clean, dry and free from debris.

Tremco CPG reserve the right to claim for any additional or remedial works necessary resulting from any such defects.

It is the clients' responsibility to inform Tremco CPG of any defects and give us the opportunity to return and rectify any such defects.

We will not accept costs for any remedial works which are carried out without our prior knowledge.

It is the customer's responsibility to ensure that the project is covered by appropriate insurance such as one of the currently available contractors all risks policies, which cover materials, theft, fire, flood, etc.

Tremco CPG reserve the right to claim for any additional or remedial works necessary resulting from any such defects.

All materials / components / services provided by Tremco CPG shall remain the property of Tremco CPG until all goods and services are paid for in full.
